Friday, May 9th 7-10PM

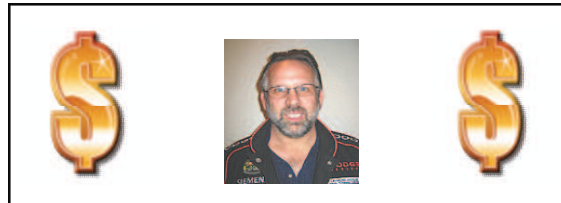

There is a lot going on at the Club and this is a great way to check it out!

Hub Lakes Sports teams will have representatives to answer all your questions. Make this the summer you learn how to sail and join the Sailing Club! Scope out all the new improvements and plans for future renovations. Sign up to help the Ladies Auxiliary with events for the Cedar Lake children. Great excuse to come down and mingle with the neighbors!
